

16th Symposium on Modeling and Experimental Validation of Electrochemical Energy Technologies

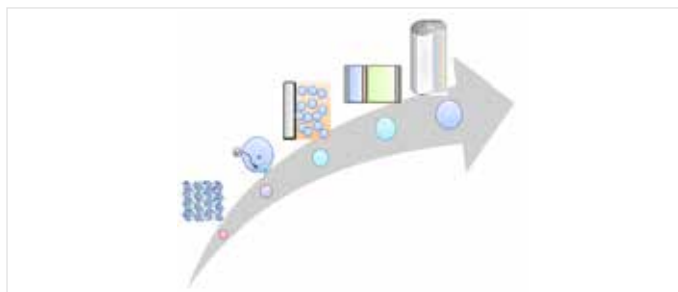

INFORMATION for exhibitors and sponsors

BACKGROUND AND FRAME DATA

The ModVal 2019 (www.modval-2019.de) is the 16th event of its kind. In addition to the modeling of electrochemical energy systems from molecular dynamics to 3D simulation, experimental validation methods are the core of the event. The focus is on processes in batteries, fuel cells and electrolysis cells.

PROGRAM CONTENT

- Approximately 40 lectures from science and industry
- 4 Keynotes of leading scientists and developers
- Poster session
- BLB tour
- Conference dinner

Date:

March 12th & 13th, 2019

Venue:

Braunschweig, Germany

Organiser:

Prof. Ulrike Krewer ([InES](#))

Number of participants:

150 – 200 participants from science and industry

SPONSORSHIP OFFER

Our services:

- Logo on conference homepage, flyer and slides in the lecture hall during breaks
- ¼ page in the program (DIN A4)

Sponsoring fee: 1000 €

EXHIBITION OFFER*

Our services:

- Logo on conference homepage, flyer and slides in the lecture hall during breaks
- ¼ page in the program (DIN A4)
- Roll up and bar table in the foyer of the conference **
- Free registration for one participant

Exhibition fee: 2000 €

* The number of exhibitors is limited due to space.

** We are happy to consider your wishes and ideas regarding the stand equipment.
